**ORDER**

This matter is before the court following a telephonic conference. After considering the

matter, the court finds that the deposition of defendants' expert scheduled to take place on February 23, 2010, will not be allowed. The deadline for discovery passed on August 23, 2010. While defendant argues that this deposition is an "evidentiary" rather than a "discovery" deposition, the court does not differentiate between the two.

SO ORDERED, this 22<sup>nd</sup> day of February, 2011.
